Etape du Tour : « Alps Express» guided package

July 6 thru 9, 2012 – 3 nights/4 days

Our place of stay for our 3-night package is located in La Toussuire, a few pedal strokes from the finish line. La Toussuire is located 2 hours from Geneva—our recommended gateway—for this event and 1 hour and 10 minutes from Albertville, starting point of this year's Etape du Tour.

Based near the finish for your whole stay, this package has been designed for riders who want to maximize their time and travel stress-free! It includes airport transfers from/to Geneva, transfers to the Etape Village for registration on July 7 and to the start of the race on July 8. Additionally, mechanics will be available at the hotel on July 6 and July 7.

July 6: Arrive in Geneva airport

To minimize the waiting time at the airport, we will operate many transfers with 8-passenger vehicles. We offer a lot more arrival/departure transfers than anyone else. In the last 3 years, no one had to wait at the airport or train station more than 1 1/2 hour. One of our mechanics will be available at the end of the day. Dinner will take place a few steps from your place of stay.

July 7: Registration Day – Suggested ride

The Etape du Tour Village is scheduled to open at 8:00 am. This is also the time we will take you to Albertville where you'll pick up your bib number and timing device. As you may want to stroll through the Etape du Tour Village and visit the booths attended by the Etape sponsors, we have not scheduled the return until 1:00 pm. Lunch will take place on the way back. Use the afternoon to relax or do a suggested ride included in your welcome kit. Note that our mechanics will be at your disposal for last-minute tuning. Dinner will take place a few steps from your place of stay.

July 8: Etape du Tour

After a hearty breakfast, we will transfer you to Albertville. Bikes will all travel on our Cyclomundo vehicles. This will allow us to park 2 or 3 km from the start. From there, just hop on your bike and ride! At 7:00 am, a flow of more than 8,500 riders will be on their way for a "warm up" over Col de la Madeleine, Col de la Croix-de-Fer, and Col du Mollard before tackling the final climb to La Toussuire! Once your feat is accomplished, a few pedal strokes will take you back to your place of stay! Dinner will take place in La Toussuire.

July 9: Departure

After breakfast, we will transfer you to the airport. We will again operate many transfers with 8-passenger vehicles.
