Etape du Tour "Pau – Bagnères-de-Luchon" 3-night guided package

July 12 thru 15, 2012 – 3 nights/4 days

Our guided 3-night package will take advantage of Lourdes' central location: 40 minutes from Pau (center and airport) and a mere 15 minutes from Tarbes-Lourdes airport.

This package has been designed for riders who want to maximize their time and travel stress-free!

It includes transfers to the Etape Village for registration on July 13 and to the start of the race. After the race, you won't need any transfer since you'll be hosted in a high standing hotel in Bagnères-de-Luchon, where the race ends.

Additionally, mechanics will be available at the hotel on July 12 and July 13.

July 12: Arrive in Pau airport or Tarbes-Lourdes airport

Your 3-star hotel is located in Lourdes (a 45 minute drive from Pau airport; a 15 minute drive from Tarbes-Lourdes airport). Three transfers will be organized from Pau airport at 11:15 am, 5:45 pm and 9:00 pm. Riders arriving in Tarbes-Lourdes airport will be picked up upon arrival (no waiting!). Other transfers from Toulouse airport can be arranged through us at an extra cost (Lourdes is 1h45 minute drive from Toulouse airport). One of our mechanics will be available at the end of the day. Dinner will take place at the hotel's restaurant.

July 13: Registration Day – Suggested ride

The Etape du Tour Village is scheduled to open at 8:00 am. This is also the time we will take you to Pau where you'll pick up your bib number and timing device. As you may want to stroll through the Etape du Tour Village and visit the booths attended by the Etape sponsors, we have not scheduled the return until 1:00 pm. Lunch will take place on the way back. Use the afternoon to relax or do a suggested ride included in your welcome kit. Note that our mechanics will be at your disposal for last-minute tuning. Dinner will take place at the hotel.

July 14: Etape du Tour

After a hearty breakfast, we will transfer you to Pau. Bikes will all travel on our Cyclomundo vehicles. This will allow us to park 2 or 3 km from the start. From there, just hop on your bike and ride! At 7:00 am, a flow of more than 8,500 riders will be on their way for a "warm up" over the Col d'Aubisque before tackling Tourmalet! Once your feat is accomplished, you will ride to your hotel located in the very same town where the race will finish. Dinner will again take place at the hotel.

July 15: Departure

After breakfast, we will transfer you to the airport. We will operate three transfers to Pau and Lourdes airports.
