3-night/4-day Marmotte package

June 30 thru July 3, 2017

The celebrated "La Marmotte" provides an opportunity to ride the terrain of the pros, complete a grueling circuit, and climb such mythic mountain passes as the Col du Glandon (1,924 m/ 5,800 ft.), the Col du Galibier (2,642 m/7,925 ft.), and Alpe d'Huez (1,880 m/ 5,640 ft.).

This popular Gran Fondo, which has been taking place for over 30 years, is a perfect way to experience the thrill of the Tour de France, take part in a mass-timed cycling event, and compete against the clock, yourself, or others.

Conveniently, the ride takes place during the same period as the Tour de France, thereby allowing cyclists the exciting opportunity of combining an exceptional ride with viewing the most renowned cycling event in the world (the Tour starts on July 1st and will be in the Alps on July 9th).

Unlike previous years, we've dramatically reduced the number of slots for the Marmotte, while keeping the same number of staff. This decision is based on maximizing clients' experience by providing an unmatched level of service.

Friday June 30, 2017: Arrival

As an increasing number of clients now come by car, our arrival transfers are not included in our package. If you wish however, we can transfer you at the cost of 50 euros per person (includes luggage + bike case). These will take place at 12:00 noon and 4:30 pm from Lyon Saint-Exupéry airport.

Your hotel is a 3-star hotel in the center of Alpe d'Huez. Dinner will take place at the hotel.

Saturday, July 1, 2017: Getting ready – Bib numbers and mechanic services

Bib numbers and timing device can be picked up from the "Sport Center" in Alpe d'Huez, a 5 minutes' walk from your hotel. On that day, we'll also have our local mechanic at your disposal for last-minute tuning. Dinner will take place at the hotel.

Sunday July 2, 2017: La Marmotte

Today's the day! After an early breakfast, gravity will take you to the start of the race. Your unforgettable day will take you through scenic landscapes over some of the Tour de France mythic climbs. A welcome short section on the flat valley road will give you a chance to warm up before tackling the 28-km (18 miles) ascent of the Col de la Croix-de-Fer. Télégraphe, Galibier will precede the grand finale: the 21 famous switchbacks and 13-km (8 miles) climb to Alpe d'Huez. Dinner will take place at the hotel.

Monday, July 3, 2017: Departure

After breakfast, option to be transferred to Lyon Saint-Exupéry (departure times from Alpe d'Huez: 7:30 am; 10:30 am; 1:30 pm)
